## A U C T I O N S

### PRESENTS THE KAIPARA BARN FIND, A CLASSIC CAR AND MOTOR BIKE AUCTION

This Barn find from Kaipara Harbour consists of 21 vehicles, 8 Motor bikes and an assortment of other items found in the Barn including a Pin ball machine, early 1900's cash register and an antique dentists chair just to name a few.

With a large portion of the vehicles being owned and stored by the current collector for decades and some even owned from new each has a great story to tell.

The owner is settling back in the USA and has instructed Sunday Drive to sell all items at \$1 reserve. All vehicles except the Jaguar XK8 have not been started for several years. Thankfully almost all vehicles have regos on hold.

Bidders must complete their own inspections and be satisfied of condition. Sunday Drive offer NO warranty on any items. We can assist with descriptions but will not be relied upon.

All items are listed on Trade-Me and can be bid on by verified bidders. All items must be paid in full and collected from our Church Street site within in 48 hours of auction ending unless by prior arrangement.

Viewings available at Sunday Drive, 363 Church Street Penrose, Auckland, Monday to Saturday 10am to 4pm.

Auction end date is Sunday 22nd May and viewings are available on this day from 11am till 4pm.

See our [Consignment page](#) on our website for more info about selling your vehicle with our Consignment Service or upcoming Auctions.
