

THE AYRBURN CLASSIC 2027 LIVE CAR AUCTION

Friday 19 - Sunday 21 February
Queenstown, New Zealand

WHERE THE RIGHT CARS FIND THE RIGHT BUYERS

After a capacity Ayrburn Classic last year, exceptional auction results and strong feedback on the hospitality, experience and high energy live bidding theatre Sunday Drive is bringing the live car auction back with a more dynamic two-session format. The 2027 auction will run across Friday evening and Saturday afternoon, creating two faster-paced live theatre sessions within the three-day Ayrburn Classic.

Around 60 collector and investment-grade vehicles will be showcased across five public display days in the expanded Harvest Lane area, then driven onto The Dell for live staging in front of the crowd.
