Over 1.5 million New Zealanders over the age of 45 view their content each year. The over 45 age group being the largest buyers of collectable, classic and custom cars. Over the last 6 years our auctioneer and founder of the MAD media group has taken over 100,000 car photos at literally 100's of car shows around New Zealand has become a familiar figure at these events.

- "People just love to see themselves , their friends or their favourite cars" - a simple guarantee of success
- MADonCars.com provides the auctioning services and web services behind this auction
- All cars will be marketed heavily on MADonCars.com with feature and profile listings
- Notifications and Item alerts will be sent weekly to our extensive customer bases.
- MADonCars.com is a very active and prolific creator of social media content
- If it is about reaching the mass then your car will be seen
